Dear Sir

I would like express my deep sense of thanks for your booklet entitled, "The Theory of Hyperspherical Universes" II Edition 1987. I also came to know that this is developed in your book, "Projective Relativity ~~and~~ Cosmology and Gravitation" Hadronic Press, Cambridge.

I am requesting your noble self to send one copy of your above reputed book (Projective Relativity, cosmology & Gravitation) and reprints of your papers in General Relativity and cosmology and related topics. I will be highly obliged of your mercy.

Thanking you

Yours faithfully
S. Narain
